

Pre Employment Screening

Prudence Rehab have designed a pre-employment screening program to identify and harness talent for your organisation.

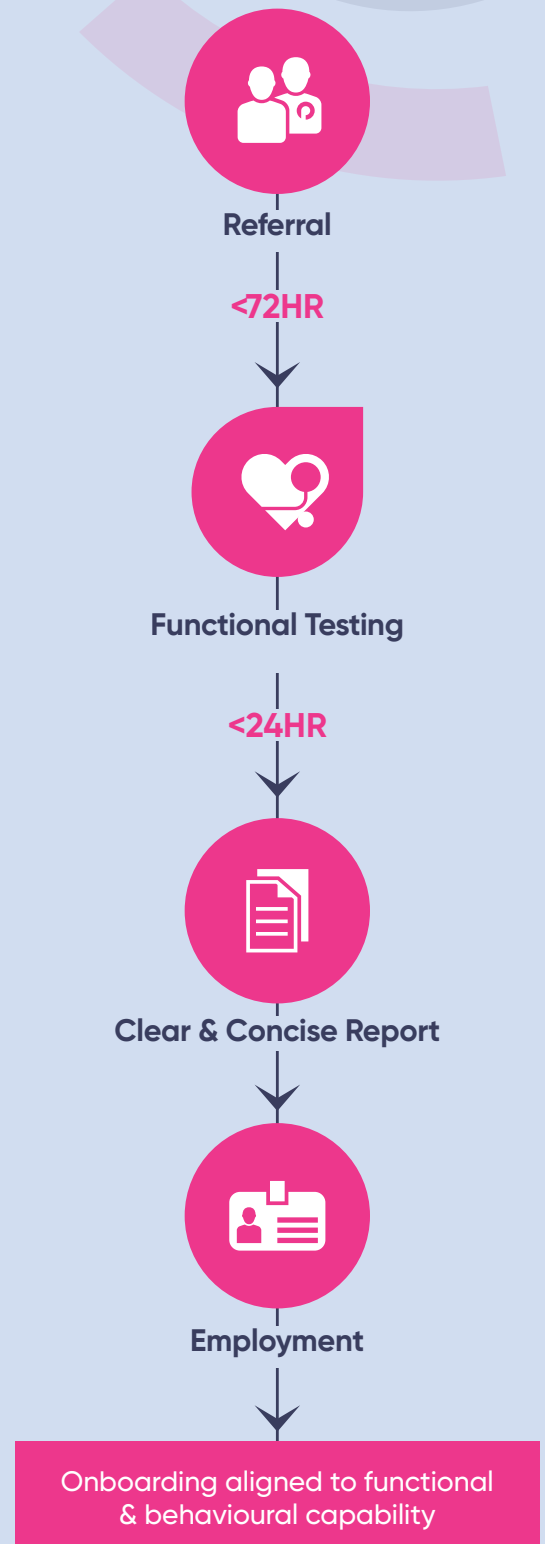

We not only protect your liability from pre-existing conditions via effective assessment protocols, but also provide a pathway for safely onboarding candidates within their functional and behavioural capabilities.

Key Benefits

- Improved on-the-job performance and productivity
- Reduction in staff turnover and retraining expenses
- Reduction in workplace injuries
- Decrease in workers compensation claims & premiums
- Candidate safely placed into a role that aligns to their capability
- Option to add additional testing such as Audiometry, Spirometry or Drug and Alcohol testing*

*In compliance with ANZ Standards: AS/NZS 4308:2008, AS 4760:2019, AS/NZS1269.4:2014

Streamlined Service

NB: timeframes may vary depending on candidate availability
